

Week of March 22, 2021

Good afternoon friends,  
*State Fare here with your weekly update. If you don't wish to receive these messages, just respond to this email that you would like to be removed and we'll take care of it.*

## Busy Week/Weekend

First off, **THANK YOU!** We welcomed back spring with some great weather and some awesome support from you all!

As we head into **warmer and warmer** days, please be reminded of the following:

1. If you didn't know, YES! we have TONS of outdoor seating. And you can specify outdoor seating [when making a reservation](#)
2. Speaking of reservations, we recommend them! Especially on Friday nights, Saturday brunch, Saturday nights, and Sunday brunch. Make one by clicking [here](#).
3. For large parties (more than 6), especially for the busier shifts listed above, we may only be able to seat your group outside. The best way to ensure your spot is to plan ahead let us know.
4. We LOVE dogs and they're allowed on our patios or under our tent.

## Live Entertainment

We'll have live bands under the tent most Friday nights now, starting between 6 and 630PM and playing until around 9PM. This week we welcome The Betty White Stripes.

[Keep up with our Facebook](#) for updates on bands and times!

If you haven't heard, we're having a good old-fashioned music festival May 21-23. 11 bands in total. Good times.

Check out the official event page [here!](#)
